Bagpipe Starter Packages

Lyons Bagpipes & Highland Supplies introduced its Bagpipe Starter Packages in 2005 and they have been a great success.

The aim was to assist beginners with purchasing their first set of bagpipes, whilst eliminating any of the guess work by supplying everything that was needed to start off.

Each of the **Bagpipe Starter Packages** features the most suited and best value set of bagpipes from each makers range. The whole package is discounted by at least 10% of the overall retail value of all the items which is a great saving.

Each set of bagpipes can be viewed on our website at www.lyonsbagpipes.com under the relative maker.
